ADULT EDUCATION PARADIGM: CONTEXTUALITY, CHALLENGES AND ACTUALITIES

International scientific-methodical conference
to commemorate the 95th anniversary of adult education in Siauliai

November 16, 2016

INVITATION

to participate in the international scientific-methodical conference

THE AIM OF THE CONFERENCE

To invite adult education teachers and other specialists working in the adult education areas to share their knowledge and practical providences relevant for the modern adult educator that seeks to meet the adult learners' requirements and expectations effectively.

OBJECTIVES OF THE CONFERENCE

- To motivate the adult education community to discuss the arising problems in the area of adult education;
- To form the necessary competencies for the adult educator reflecting their and one's work experience;
- To discuss all the possible methods for the adult learner;
- To share work experience.

POSSIBLE AREAS OF THE REPORTS

- Teaching of the common competencies with the aim to meet the adult learners' requirements and expectations (entrepreneurship, career education, teaching to learn and so on);
- Actualities and news of adult teaching methodology (reflective teaching, active teaching methods, possibilities and experience of ICT usage, interdisciplinary integration, unconventional lessons and so on);
- Incentive of adult learners learning motivation (non-formal education, unconventional school work, experience in value-system formation and so on);
- Experience in international cooperation.

PROSPECTIVE FORMS OF THE CONFERENCE

Verbal reports.

CONFERENCE LANGUAGES

Lithuanian, English.

REQUIREMENTS FOR THE REPORTS

- Length of the presentation – up to 10 min.
- Paperless publication of the reports will be issued.
- The text of the report for the paperless publication is presented this way:
